3. Connect Handbag Covert Camera to a DVR

1. To connect the camera, plug the camera's micro USB end into **Camera in** port on the DVR.

※ Only connect the camera to DVR when **Camera** is turned off.

※ Make sure both camera and memory card are inserted into DVR before turning the system on.

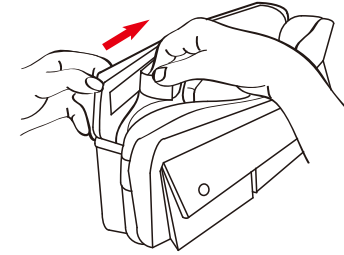

LawMate Portable DVR
(Compatible with PV-500HDW & PV-500HDW Pro)

2

2. Carefully open the velcro hidden pocket following red arrow pointed direction.

3. Place the portable DVR underneath the hidden layer and close it.
